

Grant Request - Enquiry Proposal Criteria

1. QUALIFYING CRITERIA

The grant request must be able to meet ALL of the following:

<p>Meet community needs in Singapore.</p> <p>Must fall within TCFS's mandate, e.g. relief of poverty, advancement of education, health, arts, environment, sport that advances health, etc.</p>	<p>This refers to the community at large in Singapore. Excludes any initiative aimed at meeting needs outside Singapore.</p> <p>Advancement of religion is excluded.</p> <p>No aid for any political organisation or any political purpose.</p>
<p>Show a clearly identified gap/need and articulate how the programme will address the gap/need</p>	<p>A concise explanation of the current problem and what are the results the programme will achieve to solve this problem</p>
<p>Preference is for innovative programmes, whether direct or support services that benefit the community in Singapore. Such programmes may be new or existing.</p>	<p>Can include manpower costs and overheads needed to run the programme. Excludes displacement of existing source of funding.</p>
<p>Have a strong component of creating sustained impact and able to meet agreed deliverables (e.g. number of beneficiaries helped; x% saw improvement from current situation).</p>	<p>Include indicators which measure the intended results/impact of the programme.</p> <p>Have a clear self-sustainable plan after funding ends.</p>
<p>One-off or ad hoc programmes may be funded if they are trials and have potential for scalability / impact.</p> <p>Preference is for new impact.</p>	<p>Excludes sponsoring fundraising activities/events; organising conferences; overseas service projects; sponsorship of sports events.</p>
<p>Be carried out by a charitable organisation that is secular, non-political, and be registered in Singapore or is part of such an organisation.</p>	<p>Excludes individual persons or private companies.</p>
